HIGHLIGHTS-

The Department of Sociology in association with the faculty of Business Law organized the screening of the film “Article 15” on 31st January, 2020 at 9.30 am in the Kalidas Sabhagriha. To facilitate a better appreciation of the film, three students presented information that would provide a backdrop to the film and its issues. A total of 54 students from across disciplines attended the programme.

The objective of the screening was to initiate students into the constitutional provisions with special reference to Article 15 – The Right to Equality. The students were asked to read articles and newspaper reports on related topics as a preparation for the ensuing discussion.

Ms. Vaishnavi of SYBA presented a historical account of the origin, and characteristics of caste system. Ms. Komal and Ms. Payal of SYBCom presented highlights of the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, 1989 and delineated the actions which could be defined as atrocities under the Act.

The screening of the film was followed by an interactive session. Students made several observations about the film. Certain instances of the recent past such as the Badaun rape case, Una floggings, rise of upcoming leaders from the deprived classes were examined by the students. One student questioned the emphasis on the portrayal of the protagonist as a ‘Brahmin Saviour’. The Rohit Vemula case and several subtle caste-related micro-aggressions that we either experience or witness on a daily basis, were discussed at length. The session ended with a vote of thanks.
