DEPARTMENT- Somaiya Sports Academy

HIGHLIGHTS-

The NSS Unit of K J Somaiya College of Arts and Commerce (Autonomous) conducted a Self Defence Workshop on 18th February, 2022. This activity was conducted to teach self-defence and to show its importance in today's world. Self-defence is a countermeasure that involves defending the health and well-being of oneself from harm.

Our two extraordinary instructors Ms. Ajita Sahane and Mr. Sushil Kumar taught us some amazing skills. They are part of Somaiya Sports Committee. This initiative was taken to teach easy yet effective techniques of self-defense to our NSS volunteers. All the techniques taught were instructed by experienced professionals. From exercising and strengthening muscles to showing correct postures, conveying real-life experiences and dealing with such situations mentally, it was an amazing experience. We were taught that **SAFETY IS ALWAYS FIRST**. Accepting the situation-defending yourself-hitting-escaping till you're safe. The main aim was to prepare students physically and psychologically strong to tackle such situations. Around 30 volunteers were part of this activity. The volunteers executed the activity under all the necessary covid protocols and guidelines.

This activity was a great experience for our volunteers which taught them techniques to not only protect themselves but also stand up for others facing the same situation.

The NSS Unit of K J Somaiya College of Arts and Commerce (Autonomous) in collaboration with the NCC Unit of our college and Rajawadi Hospital, Vidyavihar organized a Blood Donation Camp on the 15th of December, 2021. It was held on the 2nd Floor in Room No. 10 of our college building. The camp began with the arrival of Mrs. Ashwini Lohar Shinde, Dr. Kashinath Jadhav and the whole team of Rajawadi Hospital. The volunteers campaigned two times on the day itself to encourage students and staff present on the campus to donate blood for a good cause. The registration process started at 9 am sharp and the first ones to arrive were the cadets of the NCC Unit. 35+ cadets were present on the day and contributed majorly to our camp. We were honoured to have the support of the NCC In-Charge Mr. Sachin Narwade Sir and the whole NCC Unit.

All the Volunteers were allotted duties like writing certificates, giving out refreshments, assisting the donors, earlier that day. The observation section was also set-up in the donation room itself under the supervision of the hospital staff. The blood donation process began with form filling after which donors were sent for a basic haemoglobin check and general questions including their vaccination status were also asked. Refreshments were provided after the process while they were kept under observation. We got a total of 69 donors in the campus and all the Covid-19 protocols were strictly followed throughout the camp. Overall, the camp was a huge success and our volunteers also gained a new learning experience from the same.

HIGHLIGHTS-

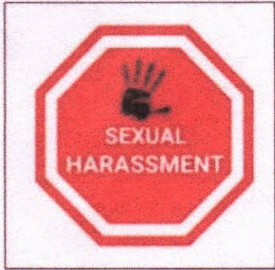

The NSS Unit of K J Somaiya College of Arts and Commerce (Autonomous) conducted a workshop in collaboration with Breakthrough NGO on 'Sexual Harassment in Public Places.' The Breakthrough organization works to create a cultural shift and make discrimination and violence against girls and women unacceptable.

The speaker Mr. Salman (Gender Sensitive Trainer at Breakthrough NGO) educated the attendees on what is street harassment and its types. A presentation was displayed regarding topics like how sexual harassment affects the person, the bystander effect, the 5Ds: *Distract*, to interrupt the situation by distracting the harasser, like making a commotion; *Delegate*, to ask someone for help, someone superior who would know better; *Document*, to document the incident with your camera; *Delay*, to make sure the person is okay after the harasser has left and lastly *Direct*, to directly confront the harasser. The speaker engaged the attendees by showing videos that made the concepts very clear. Later in the meeting, the other team member Ms. Shilpy joined us and provided us with her experience and insight on the topic.

A Q&A session was held towards the end of the session where the attendees asked their doubts and questions, and Mr. Salman and Ms. Shilpy addressed each and every one of us with satisfactory and accurate answers. Overall, the workshop provided the attendees with valuable and insightful knowledge which helped them gain the confidence and the right idea to tackle situations relating to sexual harassment.
