**Report on Preparatory Online Lecture Series for Self- Finance Undergraduate
Courses**

A preparatory Online Lecture Series was conducted by Departments of BMS/BBI/BFM/BMM/BIM/BAF for second and third year students from 6th July 2020 to 11th July 2020 to familiarize students with the various online learning tools and capture their response towards Digital education.

Key Highlights:

1. Online Lectures were conducted on Google Meet/Zoom and they were supplemented with assignments and readings on Google Classroom.
2. Nearly 90 to 95% of the students participated in the classes and maximum of them could connect to online classes due to access to smart phones.
3. Class engagement was as good as an in-person class.
4. Almost all lectures were of 1 hour, students demanded more duration of lecture.
5. Students could swiftly understand and accept online platforms.
6. Students reflected positive signs of adapting to this form of learning in future.

Overall the response received from students was extremely positive.
